

A T GRAPHICS

ENVIRONMENTAL POLICY STATEMENT

A T Graphics are committed to continuous improvement in all aspects of it's business and recognises and accepts that it's responsibilities with regard to environmental protection rank equally in importance with other key business objectives. Alan Turner is responsible along with cooperation from all staff for the implementation of this policy.

A T Graphics aims to comply fully with environmental legislation and accordingly, the policy objectives of the company are:

- comply with the requirements of environmental legislation and approved codes of practice
- assess the environmental impact of all historic, current and likely future operations
- continuously seek to improve environmental performance
- reduce pollution, emissions and waste
- reduce the use of all raw materials, energy and supplies
- raise awareness, encourage participation and train employees in environmental matters
- expect similar environmental standards from all suppliers and contractors
- assist customers to use products and services in an environmentally-sensitive way
- participate in discussions about environmental issues.
- work towards the Calderdale Environmental Pledge Bronze and Silver status

These objectives will be reviewed Annually
